

FEBRUARY NEWSLETTER

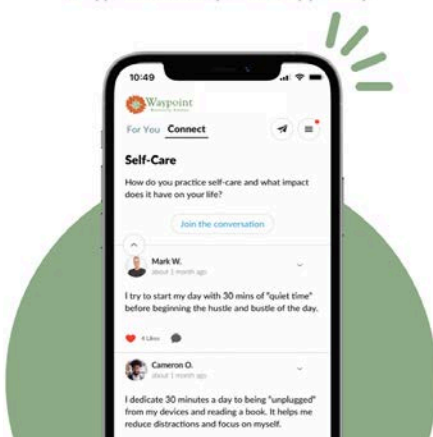

Hi! Tara C (alumni coordinator) here, I was thinking about my own recovery. I believe connection rather than isolation is key to staying sober as well as working a program. I was taught in AA that I need other alcoholics/addicts to help me maintain my sobriety. No one understands the challenges I face like a fellow alcoholic/addict. My family will try, but unless they struggle with substance abuse as I do, they can't. Please reach out to me today and join our alumni community. We offer our very own social media – an app that is just for the alumni and Waypoint employees. You don't have to worry about any ads that might trigger you. It is a safe place to share our recovery lives with each other and to encourage each other. We also offer a weekly zoom meeting every Tuesday. We have events at Waypoint and other exciting outings just for the alumni. Please contact me - (803) 480-3707. I would love to see you participating in the app, zoom meetings and at our next event. You will see flyers in this Newsletter for the Cared for App and Zoom meetings.

**Waypoint Alumni
Zoom Meeting**

Tuesday @ 7pm

On Zoom!

Meeting ID: 886 7127 4590
Passcode: 409331

 **Waypoint**
Recovery Center

Alumni Fish Fry - January 10, 2026

Waypoint Recovery Center offers outpatient treatment services in North Charleston, South Carolina, including:

- **Intensive Outpatient Programs:** Designed to help clients address substance use issues while allowing them to maintain their daily responsibilities.
- **Comprehensive Recovery Care:** The center provides rehabilitation services to help clients conquer drug and alcohol use and work towards full recovery.
- **Educational Components:** Patients learn about addiction, treatment goals, and the 12-Step program as part of their recovery process.
- **Referral Services:** For clients needing higher-level care, referrals to inpatient treatment are available.

Call our Admissions number if you are interested in continuing your treatment by signing up for Intensive Outpatient Services.

The number for Admissions is 1 (854) 214-2100

This is a drawing one of our current residents created for his dad. I thought he did beautiful job and I wanted to share.
