Alumni Spotlight

What has recovery meant to me?

Recovery has given me a deeper, better connection to my Higher Power. It is not just something I think about on Sundays or when things go wrong. It is a daily practical relationship. It means that when fear, anxiety, or anger knock on my door I do not have to panic. I do not have to act aggressively or respond instantaneously. I can pause, pray, process, and proceed. I ask for guidance and strength to respond with grace instead of chaos. This has given me a peace that I never knew existed or thought was possible.

Interested in Giving Back?

Alumni who are interested in giving back to our residents, please contact me. We offer a Q&A group where alumni share their stories and take questions from the residents. We also have Friday nights set aside for alumni to come back to Waypoint and share their recovery journey with our residents. Alumni must have 6 months of continuous sobriety before they can participate. Anyone who is interested, call Tara at (803) 480-3707.
